[04:01] \* Now talking in #darksydephil  
[04:31] <gamemaster2003isdead> cheer30  
[04:57] <kusomoto> damn  
[05:47] <gamemaster2003isdead> cheer25  
[06:47] <gamemaster2003isdead> cheer10  
[07:18] <gamemaster2003isdead> cheer10  
[07:39] <goldencolts> cheer30  
[07:52] <goldencolts> cheer15  
[09:33] <goldencolts> cheer20  
[09:33] <thenewfaceofcreation> stop it  
[09:33] <thenewfaceofcreation> why you doing this :p  
[09:33] <thenewfaceofcreation> answer me  
[09:34] <goldencolts> we must show cheer  
[09:34] <thenewfaceofcreation> cheer for what  
[09:35] <thenewfaceofcreation> do it when he is on  
[09:35] <thenewfaceofcreation> :p  
[09:35] <thenewfaceofcreation> @GoldenColts are you drunk Kappa  
[09:36] <goldencolts> no its not even noon O\_o  
[09:37] <thenewfaceofcreation> yup  
[09:37] <thenewfaceofcreation> you are drunk  
[09:37] <thenewfaceofcreation> Kappa  
[09:37] <goldencolts> dspFacepalm  
[09:37] <thenewfaceofcreation> "not even noon"  
[09:37] <thenewfaceofcreation> ?  
[09:38] <goldencolts> i do normally sip some beers through the evening  
but not during the day  
[09:38] <goldencolts> just short cans of pabst lol  
[09:39] <thenewfaceofcreation> then why you do cheers before stream?  
[09:39] <thenewfaceofcreation> just asking  
[09:40] <goldencolts> i keep the page open in the window and open the ads  
for bits in the background as i do other stuff on my computer  
[09:41] <goldencolts> twitch's ads program dont really make sense so  
sometimes it wont give you any, sometimes it will give more after a small  
cheer, and sometimes it will let you watch a bunch of ads at once and get  
like 200+ bits  
[09:41] <thenewfaceofcreation> huh  
[09:59] <goldencolts> cheer30  
[10:12] <goldencolts> cheer90  
[10:27] <goldencolts> cheer90  
[11:15] <jackwhite202> Hello  
[11:16] <thenewfaceofcreation> anybody here  
[11:16] <jackwhite202> me  
[11:17] <thenewfaceofcreation> anybody here  
[11:17] <bethemadeagle> no no one here  
[11:17] <thenewfaceofcreation> :p  
[11:17] <bethemadeagle> ;P  
[11:17] <jackwhite202> @BetheMadEagle why you lyin bro?  
[11:17] <jackwhite202> :P  
[11:18] <bethemadeagle> me lying how dare you sir  
[11:18] <jackwhite202> anyway hows it going  
[11:18] <bethemadeagle> im good

[11:18] <jackwhite202> thats cool  
[11:18] <jackwhite202> i watched Spider-Man Homecoming today  
[11:18] <darksydephil> wassap  
[11:18] <jackwhite202> loved it  
[11:19] <jackwhite202> best spiderman movie to date IMO  
[11:19] <bethemadeagle> hey phil  
[11:20] <bethemadeagle> pider man homecoming is a good movie  
[11:20] <bethemadeagle> me like  
[11:20] <majinboo3> LOL i watched last nights need for speed videos  
[11:20] <jackwhite202> me too  
[11:20] <majinboo3> And what a blatant cheater  
[11:20] <darksydephil> hmm some good news today for sure on all fronts!  
[11:21] <jackwhite202> the movie just perfectly captured who spiderman  
[11:21] <bethemadeagle> HOORAY  
[11:21] <jackwhite202> is  
[11:21] <jackwhite202> Phil have you senn SM homecoming?  
[11:21] <majinboo3> we reached the patreon goal?  
[11:21] <bethemadeagle> yes of course we reached the goal  
[11:21] <bethemadeagle> then we have the new goal  
[11:22] <jackwhite202> now that ive watched homecoming i have seen all 17  
movies in the MCU  
[11:23] <bethemadeagle> i havent seen dr strange :D  
[11:23] <bethemadeagle> not yet  
[11:23] <darksydephil> dr strange was weird but good  
[11:23] <darksydephil> pretty funny  
[11:23] <bethemadeagle> or thor ragnorok  
[11:23] <jackwhite202> its great  
[11:23] <jackwhite202> benedict was great  
[11:23] <jackwhite202> ragnarok was awesome  
[11:23] <jackwhite202> that thor vs hulk rematch  
[11:23] <bethemadeagle> thor and hulk always be fighting though  
[11:24] <jackwhite202> they are like those two kids in high school who  
like beating each other up  
[11:24] <jackwhite202> also ragnaroks ending  
[11:24] <jackwhite202> completely shocked me  
[11:25] <bethemadeagle> thor is the only one who can take a punch from  
hulk and survive, apart from iron man in his hulkbuster suit  
[11:25] <jackwhite202> thanos can take a punch from hulk as well  
[11:25] <bethemadeagle> meh thanos isnt human  
[11:26] <bethemadeagle> neither is thor but still  
[11:26] <jackwhite202> thor isnt either  
[11:26] <jackwhite202> Phil which is your favorite MCU movie?  
[11:26] <thenewfaceofcreation> no one is here i see  
[11:26] <thenewfaceofcreation> :p  
[11:26] <jackwhite202> mine is the Winter Soldier  
[11:26] <bethemadeagle> nope no one at all  
[11:26] <bethemadeagle> i liked guardians of the galaxy 1  
[11:26] <bethemadeagle> 2 was just as good  
[11:27] <jackwhite202> ehh  
[11:27] <jackwhite202> 2 was good  
[11:27] <jackwhite202> but nowhere near as good as the first one  
[11:27] <bethemadeagle> i loved baby groot  
[11:27] <jackwhite202> I am Groot  
[11:27] <jackwhite202> :P

[11:27] <bethemadeagle> i like the credit scene when groot is a teen :D  
[11:28] <jackwhite202> i liked the credits scene with stan lee  
[11:28] <bethemadeagle> oh yeah ahha  
[11:28] <jackwhite202> Winter Soldier is still the best MCU movie IMO  
[11:29] <bethemadeagle> winter soldier is pretty good though  
[11:29] <jackwhite202> Infinity War hype  
[11:30] <bethemadeagle> yes infinity war hype  
[11:31] <bethemadeagle> the we get BLACK PANTHER HYPE  
[11:31] <jackwhite202> wonder if black panther will tie in with Infinity War  
[11:31] <jackwhite202> or if it will be just a standalone movie  
[11:31] <bethemadeagle> he was in the trailer so of course he is in it  
[11:31] <jackwhite202> i mean the movie  
[11:32] <jackwhite202> also we still dont know where the last Infinity Stone is  
[11:33] <bethemadeagle> black panther movie will be after infinity war so the post credits will prob lead into that  
[11:33] <bethemadeagle> unless black panther comes before  
[11:33] <bethemadeagle> i dont know  
[11:33] <jackwhite202> some people speculate the last stone is in wakanda  
[11:34] <darksydephil> it is  
[11:34] <zetseun> DOOOOOOOOD the game spawned a car in front of me again  
[11:34] <darksydephil> why else would they even be involved  
[11:34] <zetseun> AGEEEEEED  
[11:34] <infamousecondson> Is this HZD?  
[11:34] <xmonsoonmoon> elaHi  
[11:34] <jackwhite202> but why would the Soul Stone be in Wakanda?  
[11:35] <glitch\_crazed> WHO LET THE SOULS OUT?  
[11:35] <darksydephil> because they didn't create anywhere else for it to be in the MCU  
[11:35] <ass\_blastor> coz that's where the strongest metal on earth comes from  
[11:35] <jackwhite202> i guess youre right  
[11:35] <jackwhite202> maybe thats how vibranium was created  
[11:35] <jackwhite202> with the soul stone  
[11:35] <jackwhite202> or idk  
[11:35] <vendatus> dspPepé  
[11:36] <majinboo3> phil whats your thoughts on the dlc so far?  
[11:36] <korewasugoi> trash  
[11:36] <majinboo3> it sucks?  
[11:36] <sethl89> Yo wassup everyone  
[11:36] <jackwhite202> that goal though  
[11:36] <jackwhite202> oh boy  
[11:36] <glitch\_crazed> Hoping for good news about the Christmas Marathon.  
[11:36] <glitch\_crazed> Was really looking forward to that  
[11:37] <ass\_blastor> was the November goal reached?  
[11:37] <vendatus> I think he hit the goal  
[11:37] <vendatus> dspPepé  
[11:37] <glitch\_crazed> @darksydephil what do you think of Bates Motel so far? Are you all caught up yet?  
[11:37] <kekon3> hey, this is slightly earlier than usual. but suddenly audio started playing and I was wondering what was up

[11:38] <darksydephil> i'm at like episode 3 or 4 of season 2 i think, not sure

[11:38] <goldencolts> VoHiYo  
[11:38] <majinboo3> gotta finish zero dawn once and for all

[11:39] <goldencolts> the pet is back to level 1? what happened  
[11:39] <seth189> same, gotta watch nightmare before christmas. i love that movie  
[11:39] <bethemadeagle> the space stone is still in asgard, mind stone is in vision head, the collector has the reality stone, nova corp has the power stone, the time stone is in nepal and finally the soul stone we dont know where it is YET  
[11:39] <jackwhite202> @BetheMadEagle the space stone is at loki  
[11:39] <majinboo3> Phil Do you remember how to use rations Kappa  
[11:39] <jackwhite202> @BetheMadEagle as seen in the trailer  
[11:39] <glitch\_crazed> I started watching my Christmas stuff today too, currently watching Polar Express for the 500th Time Lol  
[11:39] <seth189> ^  
[11:40] <bethemadeagle> jack the movie isnt out yet so that dont count  
[11:40] <vendatus> bethe Dr.Strange has the time stone LUL  
[11:40] <bethemadeagle> ven pfft he took it to nepal  
[11:40] <jackwhite202> @BetheMadEagle would the space stone be destroyed if loki would have left in on Asgard?  
[11:40] <glitch\_crazed> Wasn't the soul stone the tesseract? Or is that the space stone?  
[11:40] <ass\_blastor> What the fuck... the live pet is starting over at level 1.  
[11:40] <bethemadeagle> jack no why would it  
[11:41] <jackwhite202> @BetheMadEagle idk  
[11:41] <bethemadeagle> it would prob just float in space lol  
[11:41] <jackwhite202> @BetheMadEagle ironic  
[11:41] <vendatus> no he placed it in the New York Sanctum's hidden room LUL  
[11:41] <jackwhite202> in a nutshell  
[11:41] <bethemadeagle> oh sure ven course he did  
[11:42] <bethemadeagle> trying to troll me cause i havent seen dr strange yet  
[11:42] <darksydephil> the live pet crashed? lol

[11:42] <jackwhite202> 2 Stones on Earth: Mind and Time 1 on Xandar: Power 1 on Asgard: Space 1 at the Collector: Reality and 1 Unknown possibly Wakanda: Soul  
[11:43] <bethemadeagle> i want to watch it  
[11:43] <bethemadeagle> same as thor  
[11:43] <glitch\_crazed> I still have yet to see Ragnarok  
[11:43] <glitch\_crazed> Just finally managed to watch Incredible Hulk last night.  
[11:44] <glitch\_crazed> It was alright, still think Mark Ruffalo is best though being as how he was the first Hulk I saw.  
[11:44] <jackwhite202> there was a theory that the Soul Stone was in Heimdall's possession  
[11:44] <jackwhite202> hence the orange eyes  
[11:44] <somethingyer2> it sucks there'll never be another co op with John  
[11:44] <aproxymate> can the streamer reset the pet?  
[11:44] <glitch\_crazed> But Edward Norton has done a good job too  
[11:44] <vendatus> Well if you watched the IW trailer you spoiled Ragnarok for yourself imo  
[11:44] <eckuk2> no xenoblade 2?  
[11:45] <glitch\_crazed> @vendatus I kinda was already spoiled by posts on fb so it's not really a big deal  
[11:45] <bethemadeagle> ven i saw what happens in thor and dr strange but i still wanna see em though

[11:47] <thenewfaceofcreation> is that true  
[11:47] <vendatus> mebbe it's in Heimdalls sword  
[11:47] <alex\_dragonul> Yes the redemption runs returned , after that we  
need the worst games return and maybe more retro replays ? , a DS 2 , pop  
2008 etc would be sweet  
[11:47] <glitch\_crazed> Maybe  
[11:47] <goldencolts> look at the prestream slides @TheNewFaceofCreation  
[11:48] <goldencolts> lol

[11:49] <vendatus> If I say why it might be the sword it's a spoiler

[11:50] <glitch\_crazed> So no Christmas tree lighting this year?  
[11:50] <bethemadeagle> i am telling you right now thanos will get all 6

[11:52] <bethemadeagle> thanos dont give a fuck he will destroy the universe if he gets the stones or not

[11:52] <vendatus> well he probably sent his Dark Order there first while he deals with Loki

[11:52] <thenewfaceofcreation> you do phil

[11:52] <bambbino> @DarksydePhil odd question.. is it profitable for you to stream AWFULLY designed games like NFS payback vs a good game like HZD?

[13:43] <vendatus> Andromeda is better than this fight me dspPepe

[13:43] <mrkarlsync> Any news on DSP coming back to SF5 with Season 3?

[13:43] <theycallmejimbob> Andromeda deluxe edition got added to Origin Access dspHmm

[13:43] <pray4rock> yeah, but then people complain that games are too linear

[13:43] <ghettocinderellas> We need good side questing to return. Not open world tedium.

[13:43] \* bethemadeagle fights vendatus

[13:43] <theycallmejimbob> no chance of that happening MrKarlSync :D

[13:43] <datoneguyweallknow> why not?

[13:43] <dukaduka> but how do you balance two contradictory things NotLikeThis how do you find the right amount of salt and pepper

[13:43] <vendatus> dspShock

[13:43] <darkone667> got hopes for death stranding

[13:44] <theycallmejimbob> Yogscast has a humble bundle now a new game everyday though the first couple of games have been bundled a ton already

[13:44] <ghettocinderellas> We don't need the same side "content" scattered across the map a dozen times just to call it "open world".

[13:44] <bethemadeagle> andromeda game of the year fight me

[13:44] <mrkarlsync> @dukaduka Because button commands are recorded in replays so he cant say he was blocking when he was down back like punch/kicking on wake up.

[13:44] <d2tz> is phil playing on a base ps4?

[13:44] <vendatus> yup

[13:44] <theycallmejimbob> yup d2tz

[13:44] <d2tz> ok

[13:44] <d2tz> windmills....lol

[13:45] <ghettocinderellas> @theycallmejimbob I almost died laughing when I saw that. Poor little andromeda. You didn't deserve that fate.

[13:45] <darkone667> game so easy npc's fight the enemies for you

[13:45] <papalouthefirst> @DarksydePhil congratz on finding true love again daddyphil <3

[13:45] <ghettocinderellas> This dude.

[13:45] <theycallmejimbob> wonder how long till they add NFS and SWB2 to it GhettoCinderellas I know people hate EA but origin access is pretty good value

[13:45] <marshmelons> lmao all those missed shots

[13:46] <ghettocinderellas> It really is tbh Jimbob.

[13:46] <bethemadeagle> kill phil rexy

[13:47] <mrkarlsync> i havnt played this game but since he just stripped the armor off im guessing then he needs to use other weapons to finish it off?  
[13:47] <bethemadeagle> this isnt fail  
[13:47] <ghettocinderellas> @theycallmejimbob Did they put micro-transactions back into battlefront 2? I'm guessing like two months after that, so it can kind of be "free to play". Kappa  
[13:47] <bethemadeagle> fair  
[13:47] <mrkarlsync> instead of just hosing it down with this ice staff.
